Gloria, to expedite the process, attached are the suggested amendments to the Draft AOC, based on our briefing with Myron last week.

Karen Bond and Carlene Chambers do not see a problem with drawing money from the Special Account for TAG and Natural Resource Trustee costs. Karen informed me that the details on how this can be done can be worked out internally after the Order issued. I will have a conference call with the trustees next week, but don't expect their costs to be more than 100k), so I believe we can use the figures in this Amended Draft AOC.

I recieved a call from Falcon's attorney, Mr Richard Bergner, yesterday. He informed me that they are ready to proceed with the negotiations!!
